Dear Mr. Wood,

At the request of the Executive Board and membership, I am writing to encourage you to continue to seek further funding for Rural AED's and to assure you that you can count on the Utah State Fire Chiefs Association as an enthusiastic supporter and collaborator in the Rural AED Grant.

The Rural AED Grant has already improved community safety in many areas of Utah. Because there is still lots of room for improvement, however, we strongly support your efforts to get continued funding for this important program.

As in past years, we stand ready to assist in communication and collaboration between BEMS and the fire service. Please let me know if we can help publicize this funding opportunity in our industry, or provide any other assistance.

Thank you for your efforts on behalf of rural Utah. Best wishes for continued success in your endeavors.

Sincerely,

A handwritten signature in cursive script that reads "George A. Sumner".
