Dear Mr. Wood,

On behalf of the Executive Committee of the Utah State Fire Chiefs Association, I am writing this letter in continued support of participation in the Federal grant process for Rural Access to Emergency Devices, which places automatic defibrillators (AED) in rural areas of our state.

The Rural AED Grant program has proven beneficial to the citizens and emergency responders in rural Utah, where resources are limited and budgets are extremely tight. We appreciate the efforts of the Utah Bureau of Emergency Medical Services in taking the lead in this application process and, as an association, stand ready to support you in whatever ways we can.

Thank you for your on-going efforts on behalf of rural Utah. Best wishes for continued success in your endeavors.

Sincerely,
UTAH STATE FIRE CHIEFS ASSOCIATION
