September 29, 2021

Sponsors,

On behalf of Kevin Ward, vendors and fire service-related organizations have the opportunity to partner with the Utah State Fire Chiefs Association for an upcoming event.

On January 19, 2022, the two-day Winter Business Meeting & Leadership Symposium at the Dixie Convention Center (1835 Convention Center Drive, St. George, UT 84790) will take place. As a sponsor, you will have the opportunity to network with Chief Fire Officers from throughout the state, as many of them only attend this two-day event prior to the Winter Fire School.

Your sponsorship is a vital part of our organization, allowing the outstanding training of over 150 Chief Fire Officers. This association is designed to benefit all Utah fire departments in various ways. Sponsorship supports not only training and leadership for Chief Officers, but legislative efforts and statewide partnerships and opportunities. Your generosity helps to provide opportunities of various platforms for all departments within the State of Utah.

Thank you in advance for your support.
